

# SWEETHEARTS

## INVITATION ASSEMBLY GUIDE

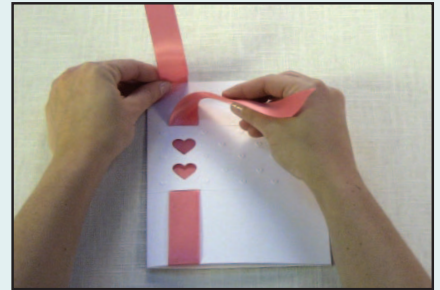

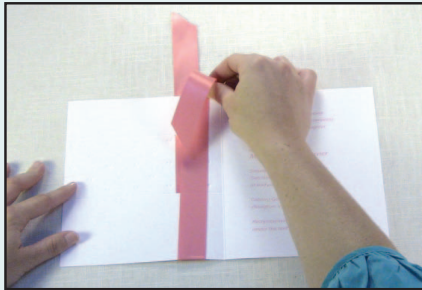

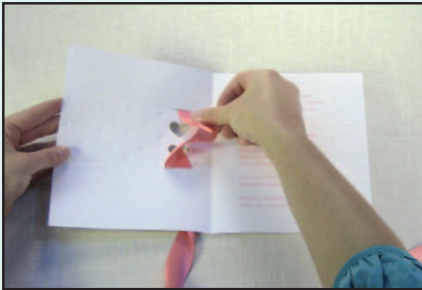

# Sweethearts

## CLASSIC KNOT INSTRUCTIONS

**#1**

You will need your printed invitation, and one piece of cut ribbon. Fold the invitation in half at the vertical crease. Take a piece of pre-cut ribbon and insert one end through the bottom die-cut slit (under the two hearts).

**#2**

Pull the ribbon tail through from the inside and insert the ribbon end through the top slit (above the 2 hearts), and pull through. Take the bottom end of the ribbon tail from the front and insert through the inside of the invitation (now both ribbon ends should be at the top).

**#3**

Close the invitation. Adjust your ribbon accordingly and tie a knot.
